**Dates:** 4 Wednesdays, February 1, 8, 15, and 22, ; 7-9 PM

**Price:** \$80 for four two-hour sessions.

The autoharp is an easy and fun instrument that can take you many wonderful places for your personal enjoyment, playing with groups, or entertainment of others. In this class, you will learn how to tune your instrument, get organized with picks and positioning the instrument, and learn to do beautiful song accompaniment, accompaniment of other instruments, and beginning melodic techniques. No experience is necessary.

You will need an autoharp (any brand or configuration is fine), an electronic tuner and a tuning wrench, two fingerpicks and a thumb pick (which you can purchase at the time of the first class) A personal cassette or mp3 recorder are also useful. All instructional materials and a learning CD included in the cost of the class.
